RE: Right to petition the courts

Greetings

Chief Justice Tani G. Cantil-Sakauye, chair of the Judicial Council,
Steven Jahr, Administrative Director of the Courts, AOC,
Curt Soderlund, Chief Administrative Officer, AOC,
Frank A. McGuire, Court Administrator and Clerk of the Supreme Court,
and anyone else who can help us rectify the likely mistake of the Supreme Court of California.

An original jurisdiction petition that I, Aouie Goodnis, and a co-plaintiff, Dhun May, submitted to the Supreme Court of California was returned unfiled to me in early December 2013. Note that the cashier's check, for \$710, was returned too. The letter from the department of the Clerk of the Supreme Court stated that the "Court had already rendered its decision in this matter." Based on a conversation with Jorge Navarrette, we resubmitted the petition along with a cover letter explaining our belief that the petition was returned based on an erroneous belief, and that we sought to "exercise the right to petition the courts." On December 20th, I received the unfiled petition once again. The letter from the Clerk of the Supreme Court did not state any specific reason. Along the lines of what Jorge Navarrette had explained earlier, it read "the Court has directed me again to return it back to you unfiled." ... "I regret that we cannot be of further help to you."

We would like to have a judicial disposition by the Supreme Court of California rendered in our case. We believe that twice so far the clerks of the Supreme Court of California have not processed our petition for filing in a manner that safeguards our right to petition the courts. Can you help resolve the issue? What can you do for us?

You can find the petition that we had submitted and the letters mentioned above at [<http://ProtectInitiatives.com/Lawsuit.html>].

We sincerely hope that you will be able and willing to help us. You are not our last hope in this matter. I hope my co-plaintiff and I don't need to protect our rights by other means.

Sincerely,

Aouie Goodnis
